Subject: Microsoft Settlement

To whom it may concern,

In accordance with the recently passed Tunney Act, this e-mail is a public comment on the Microsoft settlement. As an American citizen, I believe that prolonging the litigation against the Microsoft Corporation is not conducive to our country's economic wellbeing. I would like to see a settlement reached quickly and decisively. Such a speedy resolution is in the best interests of the public. Thank you for your time and consideration of public opinion.

Sincerely,
Allison K. Rone
